

What is PAT (Parent as Teachers)?

Parents as teachers is a program provided by Jasper County First Steps to positively impact children during their most critical, early years of life. The goals of PAT are to empower parents with increased knowledge and understanding in early childhood development and good parenting skills to become their child's first and most important teacher.

“Parents create the environments and experiences in which learning happens, which makes them the first teacher their child will ever have”

Some EXCITING & AWESOME benefits on enrolling in PAT!!
